Please follow these instructions to log into your SchoolMoney account:

1. Go to eduspot.co.uk

2. Click on the blue Sign In button in the top right corner to open the drop down menu

3. Select 'schoolmoney parent login' in the drop down menu

4. On this login page, enter your mobile number, email address, password (provided by the school) and your child's first name.

The image shows a mobile application interface for 'eduspot'. At the top is the 'eduspot' logo, which consists of a colorful circular icon above the text 'eduspot'. Below this is a white card with rounded corners. The card has the title 'Parental Login' at the top. In the center of the card is a large green circular icon with a white wave inside, and the word 'schoolmoney' written below it. Below the icon are four rounded rectangular input fields, each with a placeholder label: 'Mobile', 'Email', 'Password', and 'Child's First Name'. Below these fields is a green rounded rectangular button with the word 'Go' in white. At the bottom of the card, there is a small line of text: 'If you are having any trouble accessing your account, please contact your child's school.'

If you are getting a message to tell you that your login details are incorrect, you will need to double check with your child's school if the details that you are putting in match the ones they have on their system.
