

Day 1 – Literacy (setting description 1)

Over the next two weeks we will be writing our own adventure stories using Charlotte's Web as our inspiration!

This week we will be focusing on building up an idea of what our setting is like and what our main characters are like – you will need a human character (like Fern from Charlotte's Web) and one or two animal characters (like Wilbur and Charlotte from Charlotte's Web!).

Today we are going to be looking at improving our descriptions of different settings.

Please complete the settings description worksheet.
